

Guide to the presentation uploading

(Computer Science Engineering BSc, Computer Science BSc/MSc)

Those students who don't have to defend their theses (i.e. defended it before successfully) don't have to create presentation.

Students on the program of Business informatics BSc and Computer Science Engineering MSc also doesn't have to create presentation.

Students on other programs must give the board and the date of the final exam before uploading the presentation. We ask everyone to enter the day you have been registered (assigned) according to Neptun.

Structure of the presentation:

1. Thesis title, author and supervisor name (1 slide)
2. Presentation content (1 slide)
3. Problem posing, the task to be solved, including the highlighting independent work (1- 2 slides)
4. Brief, factual summary of the principles, methods and technologies used for the solution (slides 1-2)
5. Description of independent work (1-2 slides)
6. Conclusions, suggestions, description of further development opportunities (1 slide)
7. Acknowledgments, bibliography (1 slide)

The maximum length of the presentation is 10 slides.

Important! We strongly urge everyone to follow the instructions when naming the file:

File name: **NeptunCode_EduID_SurnameFirstname**

Maximum number of files: 1

Maximum file size: 1GB

Allowed file types: **PPT, PDF**

After given the appropriate data the prepared file should be uploaded to the link below:

https://forms.office.com/Pages/ResponsePage.aspx?id=bsvzSAd4qkmnuBXZityusxi_6Xax9JJEogbjrm9kdn5UNk1IR0kxMExERkU3TFpHN0NaTDZJNzZZMS4u

Deadline for the upload:

13th of December 2021 12:00

3rd of January 2022 (Monday) 8:00 (for the January State Exam dates)

For the Defence prepare for a 7-8 minutes presentation.
